

# Learning Tree Preschool

## Quality Matters...

Collectively, YMCAs are the country's largest provider of child care and are committed to developing and operating the highest-quality child care programs possible. YMCAs seek to provide child care that supports and strengthens families and nurtures the healthy, successful growth and development of each child involved.

Our state-licensed, part time preschool program offers care for children 3 and 4 years old.

This program is a great introduction to a group setting, and children participate in developmentally appropriate activities. Swim lessons are offered as a part of some classes. This program runs September through June.

## *Early Learning & Socialization in a Safe, Fun Environment*
