

YMCA of Burlington County Members:

On May 12, 2009 our YMCA upgraded its membership software. Staff has been tirelessly working to be sure all of your membership information transferred correctly from the previous system. We appreciate your time and patience to fill out new membership cards and working with us to get your correct key tag number into the system, as we know this new software will only enhance and improve our ability to provide you with outstanding service!

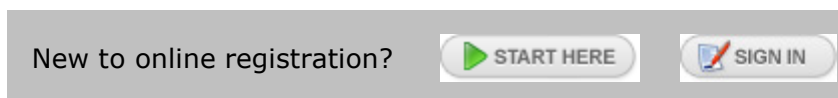

Now we have one more aspect of the new system to tell you about – ONLINE REGISTRATION! The YMCA of Burlington County has online registration and the new system is slightly different.

- Every member will need to create a new user name and password – even if you were a previous user
- The new system will verify your membership with your last name, birth date and zip code (you do not need your membership number although it is an option).

Let's get started with some helpful hints to navigate online registration.

1. Visit www.ymca-bc.org
2. Click 'Register Online' in the top tool bar of the web page
3. Under the picture of the two boys playing basketball you will see 'New to online registration?' – Click 'Start Here'. Every member is considered 'new', so you will need to follow this step.

4. A dialog box will appear asking for your last name, birth date and zip code
 - a. This log on will allow all active members on the membership to register with this one log on that is created

NOTE: If a parent wants to register a child for a program and **only** the child is a member please use the child's last name, birth date and zip code

Enter search information

Last Name*: **or** Member ID*:

Birth Date*:

ZIP Code*:

5. After your membership is verified you will be asked to enter an email address and password to be used for online registration

NOTE: The email address you enter will replace any other email addresses on your account and will be the email address of record for your membership

***** Now that you created your log on you can begin registering for classes. The next time you need to visit the site you simply 'Sign In' *****

After logging on you will be brought to the front page for Online Registration where you can choose which branch you want view classes for and what type of classes you are interested in.

To look at the classes available by branch – Mt Laurel or Riverfront click ‘View’ to change the option(s).

‘Program Tags’ are used to help group similar classes and making searching for a class a little easier. To see the classes under the ‘Program Tag’ click the area you are interested and the next screen will show you the available classes. You can always go back and ‘Browse Programs’ if you do not see what you like under a specific ‘Program Tag’.
