YMCA OF BURLINGTON COUNTY

36TH ANNUAL GOLF CLASSIC

OCTOBER 12, 2009 · RIVERTON COUNTRY CLUB

Come out swinging to build strong kids!

DEAR FRIENDS,

This year marks our 36th Annual Golf Classic in support of the YMCA of Burlington County's Strong Kids Campaign. For more than 100 years, the YMCA has served the Burlington County community with programs for families and children including aquatics classes, swim lessons, Active Older Adult activities, summer camps and before and after school care, as well as fitness programming and child care at two locations. Our Y also supports programs for military families, women in transition, and camps for kids with cancer. In 2008 we expanded our service area to include portions of Camden County where we now provide after school care, summer camps and swim team.

This is just a sample of the essential services the YMCA provides to the community. In this challenging economy many families are finding themselves in need of some assistance. Many parents have had to choose between safe, enriching YMCA programs and leaving children home after school because of inability to pay. At the YMCA of Burlington County, we are committed to making our programs accessible to all, regardless of a family's financial means. To make this possible we need to raise \$500,000 for the Strong Kids Campaign in 2009 to support Burlington and Camden County families.

With your help we can reach our goal. Please join us on Monday, October 12, 2009 at Riverton Country Club for the 36th Annual Golf Classic. Gather with other Burlington and Camden County business leaders to – “Come out swinging to build Strong Kids.”

We hope to see you there!
